eDC: What ingredient/food would we find in your kitchen that would surprise people?

Pure flavor is the only way to go for me so I cook with no strange ingredients. I love to eat raw foods in season: raw green beans, corn kernels, apples, tomatoes, chard, even beets (barely cooked).

My other favorite foods are German Rieslings and white Burgundy—preferably while playing ping pong at Dr. Pong in Berlin, Germany. Check it out!

Megyn Kelly airs a segment on her show where she blatantly edits and mis-attributes a statement of Alex Jones to make it appear that he is claiming that Hillary Clinton was directly involved in murdering children in the Pizza Gate Controversy. A total out-of-context section of audio is revealed as being on another subject completely. But she's banking that the American public is stupid and won't check on it. Well, checkmate Megyn, here is the whole truth as explained by Alex Jones himself.

Well, FakeStream Media is trying so hard to cover things up that they're giving themselves away. Comet Ping Pong, at this point, is being protected by media giants...why? Let's ask some questions.

Based on History, we can pretty much guarantee, since most of the political hacks in D.C. are probably being black-mailed, that Congress will try to pass an "Anti-Fake News, Society Protection Act." Wanna bet?

If you thought PizzaGate had run its course, think again: Is the Washington Post just a phenomenally biased, poorly run newspaper, or is it some kind of ingenious meta-media troll? In a curious article published earlier this afternoon, the Post has now put into the public record much of the correct details on the origins of PizzaGate, as they explained succinctly what PizzaGate actually is, and the basis for belief in its need to be further investigated by authorities.

Strange Creepy Connections: Kanye West Rant, PizzaG...

**Published on Nov 28, 2016**

The Illuminati Knows What's Coming!

The Question Is, DO YOU?!?!?

On the evening of Saturday, November 19th, 2016 (11/19/16), singer-songwriter Kanye West abruptly stopped his concert in Sacramento, California — and immediately went on a wild tangent.

He called out other notable musicians such as Beyoncé, DJ Khaled, Kid Cudi, Frank Ocean, and, most notably, Jay-Z. He even ranted about Barack Obama, Hillary Clinton, Mark Zuckerberg — among many others.

But what's very strange about all of this is how he mentioned the "New World" several times throughout his rant, pleaded for Jay-Z and DJ Khaled not to come after him and send "killers" his way, and even mentioned "aliens" at one point.

Then, just this week alone, mainstream media, alternative media, and "conspiracy theorists" alike have been buzzing about the "PizzaGate Scandal." This has to do with alleged "strange activity" that goes on at Comet Ping Pong, which is a pizzeria in Washington DC owned and managed by James Alefantis.

Couple these two events together, and you get something FAR more disturbing...

Is this another way of Hellywood distracting us from what's to come?

Could all of this be pointing to Another Disclosure?

Or could this be part of a Bigger Plot — especially since this just-so-happened to occur on "11/19/16," or "9/11" written TWICE...

You Decide...

THEY'RE TELLING YOU TRUTH!! BEWARE, BE ALERT, AND REMAIN VIGILANT!!!!

AND AS ALWAYS, REMEMBER TO SEEK YAHUAH AND HIS TRUE SON YAHUSHA — FOR EVEN MORE TRUTH!!!!!!

This is an Update on the first video if you have not seen it I would advise you watch it to understand what PizzaGate is about.

First video: <https://youtu.be/M8NPH2kqtzY> (<https://youtu.be/M8NPH2kqtzY>)

The people world wide who have been exposing the pedophile rings, sex trafficking rings, human trafficking are being threatened, the investigators, activists are being threatened, the professionals, are being threatened. Their entire families threatened.

(UPDATE)

Podesta and his brother were in Spain.

AnonymousOP Deatheaters confirmed Podesta and his brother stayed 1.3 miles from the hotel where McCanns stayed.

An FBI insider confirmed the Intelligence community indicates John and Tony Podesta were in Praia da Luz, Portugal on May 3rd 2007– the day Madaline McCann vanished.

The Podesta brothers were staying with a friend named “Clem” . Clement Freud, the grandson of psychopathology sex expert Dr. Sigmund Freud, who was known to be a pedophile. This is a quote from our insider: “Of greater interest is that fact that Freud owned a villa in Praia da Luz.”

That girl in the video is not Madeline McCann it matches up to a girl kidnapped by a human sex trafficking ring in Australia and taken to Europe. From Western Australia in 2007. It is believe to be the same ring that took McCann.

She is thought to be Leela McDougall, who went missing in Australia in 2007 or Amanda Adlai, an American who was abducted in Michigan in 2008.

Human trafficking rings, kidnap children from all over the world, many are the same ring with networks in many countries, then those children are quickly taken out of the country

LOOK FOR MORE ON THIS TO COME. SOMETHING BIG!!!

 Everybody please search "Queer Kid Stuff" on YouTube and FLAG ALL THEIR VIDEOS for sexual content/ child abuse. These people are teaching KINDERGARTENERS that it's "cool" to be LGBT. This is both pedophilia and an attempt to psychologically disturb our children. ENOUGH IS ENOUGH.

## Senator Nancy Schaefer Murdered for CPS Sex Ring Investigation, 1/2 The Beast – GA, FL

## Senator Nancy Schaefer Murdered for CPS Sex Ring In...

### Uploaded on Mar 28, 2011

Part 1 / 2. New Info March 26, 2011. Ga Sen Nancy Schaefer + Husband Killed W Mysterious Gun, GBI Destroys Evidence, Closes "Suicide" Case. OpEdNews. Garland-Favorito. Former Sen Nancy Schaefer lived the last couple of years of her life dedicated to helping children and families. Mrs. Schaefer had found during the last few years that:

- Georgia housed children in a foster home with a known pedophile who molested the children.
- Habersham County failed to remove six children from a home where they were being abused and tortured.
- Georgia turned two girls over to a California father who had a pornographic video business.

**THE MURDER WEAPON** – The findings in the case file would be highly convincing except for one major problem never before reported. The Schaeferes were NOT killed with the small caliber gun that the family knew they owned. They were killed with a HIGHER CALIBER, UNTRACEABLE WEAPON that no family member had ever seen before. The weapon was originally shipped to a dealer in a remote part of southern Florida in 1982 and the ownership records have since been destroyed, possibly as a result of a natural disaster. The case file was unable to establish how the Schaeferes, who lived in Georgia during the 1980s, acquired the murder weapon. It also contains no explanation as to why Bruce would not use the gun he already owned to commit the crime, but instead acquire another gun that just happened to be untraceable.

**THE AUTOPSY REPORT** – . . . notes show that Bruce wrote them after shooting Nancy and it would have taken hours for him to write and assemble the material for the notes before he shot himself.

**THE ALLEGED FINANCIAL MOTIVE** –

**THE VIDEO** – The metro Atlanta area has been nationally ranked as the largest center in the country for child sex trafficking. Most are also unaware that Sen. Schaefer was a national leader in the fight against related child abuse and perversion in government run, Child Protective Services (CPS).

The GBI was repeatedly informed that Nancy was wrapping up a video documentary, a possible book and other supporting references on the subject. She told friends that this work would expose corruption in Georgia's Dept of Family and Child Services (DFACS) and that several high profile, powerful Georgia politicians would be implicated.

These people would have the means and incentive to prevent her work from being produced. While the GBI documented case inquiries from the general public there is no documentation of the inquiries received from government officials.

The GBI collected little information about the work that Nancy Schaefer had done.

They interviewed only one person who was involved in helping to produce the video documentary. They did not obtain a copy of the video or interview its producer, William Fain. They also did not attempt to retrieve the documentary from the producer even though the Schaeferes had arranged funding for the video and the producer was not necessarily entitled to ownership rights.

**THE THREATS** –

## THE LIMITED SCOPE OF INVESTIGATION –

**DESTRUCTION OF EVIDENCE** – During the time from June to December of 2010 individuals, including myself, filed open records requests for reports but the requests were denied because the case was still open. When Special Agent Whidby wrote the Final Investigative Summary in December of 2010, the GBI had destroyed all items that were seized or created at autopsy. They then completed closing the case in February of 2011 and made the file available.

## THE OLD AND NEW UNANSWERED QUESTIONS –

**CONCLUSION** – The limited investigative scope is appalling considering the high profile circumstances surrounding the Schaefer's deaths. Case file evidence mentioned in this report illustrates that the GBI was unwilling to investigate the case to the point where they could rule out professional assassination.

They also destroyed all items seized or created at autopsy so now their actions can never be reviewed or questioned. Their conduct raises a legitimate question as to whether or not they could have been compromised or manipulated by officials implicated in former Nancy Schaefer's documentary and materials. Their investigation may even become more questionable than the killings themselves.

Popes have gotten away with this for centuries because secular people ignore and call crazy the real Christians who for centuries have been telling the world that the Vatican is the Great Whore revealed by God in Revelation 17 + 18.

#### For the newcomers:-

Last month's satisfied customers were raving about our "pizza" and we know you will too! Repeat customers know the drill. For newcomers, first run the program given to you by your special friend and all instructions on how to enjoy this joyous hobby will be easily understandable. But please, remember the penalties for breaking the rules, which are also included in the program. Very few have broken the rules, and needless to say the penalties are harsh. All pricing is included in the app. The app will only run once, and the following requirements must be met:

- The app is to be run from your own personal computer that only you have access
- Your computer must be connected to the Internet when run
- The app must be run from your home
- You must destroy the media on which you received the app
- Remember the password that will activate the app as there will be no icons on your computer

November newcomers: 0

#### November's special:-

This month we have 5 fresh pizzas for your enjoyment. We also have 4 surviving pizzas from last month's session, all are on sale at an extremely low price, as they are in poor health and not expected to survive so a requirement is that you finish eating your pizza after your session.

This month's special includes a 30% discount on severe torture! Each image below is available for \$1,000 in fine print. Andrew also has some prints he would like to sell so contact him for more info (they are true masterpieces).
